virtuous VOLUNTEER

virtuous CRM+

Note: The integration is a **one-way sync** from Virtuous Volunteer **to** Virtuous CRM+.

New Volunteer
A new volunteer creates a profile, accepts their invite, **or** completes hours for the first time after the integration is connected.

New Donation
Online gifts are processed through a **Volunteer Giving Form.**

New Opportunity
The volunteer event with a sign-up page to track serving dates and timeslots.

Gift & Contact Import Tool
where all Gifts and new Contacts are created

Household Contact

New Individual
All Volunteer data is specific to **each** Individual within a Household.

Gift

New Volunteer Opportunity
The volunteer event to track dates and total hours.

Existing Volunteers
If the volunteer exists both in Virtuous Volunteer and as an Individual in CRM+, any new data or volunteer activity will automatically be updated.

Existing Opportunities
If the Volunteer Opportunity already exists in both Virtuous Volunteer and CRM+, only new volunteer data (hours) will update.
